

## 2021–2022 Verification Worksheet

### Dependent Student- Tracking Group V4

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent whose information was reported on the FAFSA must complete and sign this verification document, include any required documents, and upload via Net Partner to the Financial Aid Office at Belmont Abbey College. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
