

2021–2022 Verification Worksheet
Independent Student- Tracking Group V5

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, include any required documents, and upload via Net Partner to the Financial Aid Office at Belmont Abbey College. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

Please complete in blue or black ink.

Important Note: If the student (and spouse, if married) filed, or will file, an amended 2019 IRS tax return, filed separate tax returns or had a change in marital status after December 31, 2019, you must contact the financial aid administrator before completing this section.

Instructions: Complete this section if the student (and spouse, if married) filed a 2019 IRS income tax return. *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at studentaid.gov. If the student has not already used the tool, go to studentaid.gov, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if the student is eligible to use the IRS DRT.*

Check the **one** box that applies:

- The student has used the IRS DRT in *FAFSA on the Web* to transfer my (and, if married, my spouse's) 2019 IRS tax return information into the student's FAFSA.
- The student has not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to transfer my (and, if married, my spouse's) 2019 IRS tax return information into the student's FAFSA.
- The student is unable to use the IRS DRT in *FAFSA on the Web*, and instead will provide the school my (and, if married, my spouse's) **2019 IRS Tax Return Transcript(s) or a signed copy of the 2019 income tax return**.

Verification cannot be completed until the 2019 IRS tax return transcript has been submitted to the school.
