PRAYER AND EXPERIENCE

OUR FAITH MAKES US WHO WE ARE
 Founded in 1876 by Benedictine monks, Divine Providence has been at work at the Abbey from the very beginning. From the priest who bought 700 acres for \$10 at auction to the German-speaking monks who agreed to establish a college there. Belmont Abbey College has endured two world wars, depressions, changes in times, and changes in culture. We are guided by Pope St. John Paul II's brilliant vision for Catholic colleges set out in *Ex Corde Ecclesiae*.
 You'll have many opportunities for spiritual growth at Belmont Abbey College. We have a vibrant campus ministry that welcomes people of all faiths. You can participate in daily prayer and Mass with the monastic community. We have regular mission trips available. And you can join one of our men's or women's households—faith communities within our larger community. Our faith in Jesus Christ is at the center of all we do at the Abbey. He drives our mission. He sets our standards. And He is why we exist.

PARTS TO PLAY & PARTS TO SING

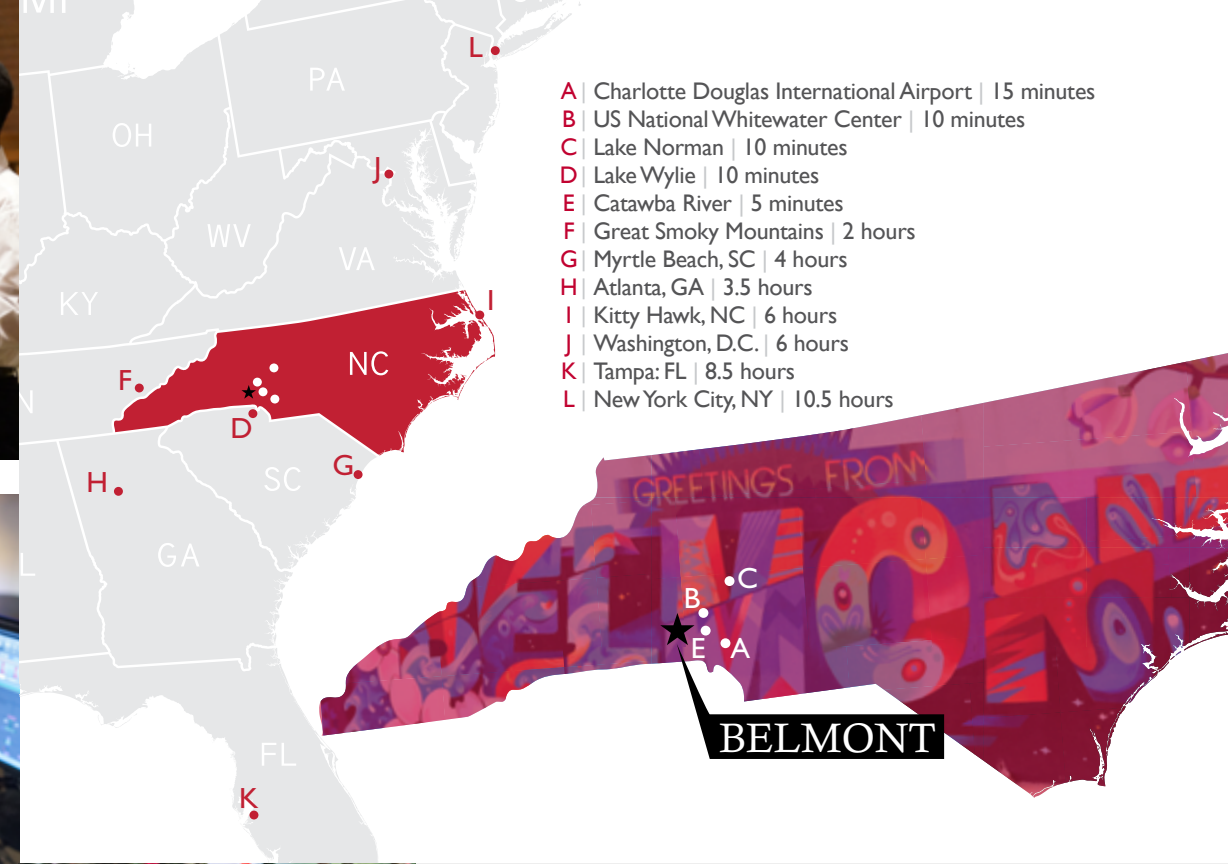

Students, faculty, staff—even monks—regularly appear in and work our six mainstage shows produced annually by the Abbey Players. Our vibrant arts community also includes Arts at the Abbey, which brings a variety of artists to campus, and the Abbey Chorus, our choral ensemble.

LITERARY MAGAZINES & LUAUS

With more than 40 student groups and organizations, Belmont Abbey offers you lots of ways to get involved and have fun. Our Campus Activities Board brings in comedians, musical acts, coffeehouse performances, and helps organize major campus events like the Homecoming Block Party, the President's Ball, and Crawfish Boil on the Quad.
